

### New images

We are spending the last few weeks of the year adding a lot of new material from our photographers. The archive is being topped up with wistful Christmas images by Patric Johansson, Turkish urban expressions from Berno Hjälmrud, racy monochrome impressions from Cuba by Tobias Regell, People in Motion by Pelle Kronstedt (who took the above image) and Johan Warden's magical night images from backstreets and roads in Sweden. These are just a few examples of the new images that are being added to our search page. The office is open on weekdays, 9 a.m. – 3 p.m., December 22 to January 6. If you have a password you can download high resolution images from our search

page 24 hours a day at any time. Bear in mind that we have to agree on their use first.
